July 4th 2010

Dear friends:

In the name of Garuda México I am pleased to invite all members of the Bön worldwide sangha to celebrate the Internal Consecration of the Great Stupa for World Peace. We would be very pleased if all our bonpo brothers and sisters could come to share with the Mexican sangha this very special event.

The consecration will take place on December 4 th in Chamma Ling, Valle de Bravo. We will be honored in this great celebration with the presence our beloved teachers: Yongdzin (Lopon) Tenzin Namdak Rinpoche, Geshe Tenzin Wangyal Rinpoche and Khenpo Tenpa Yungdrun Rinpoche.

For several days, from November 26 to December 5, we will have various activities around this main event; among them we will have a seminar and various lectures. Before the consecration there will be a circumambulation of the Great Stupa and a meditation, both dedicated to world peace. Listed below is a preliminary program of activities. On our website http://www.garudamexico.org/, please find more information concerning the program we've created for this great occasion.

We sincerely hope that you can join us for these very special days, and so, as a single sangha, together with our teachers, we dedicate our prayers and merits so that in this world full of tribulations, we can have peace. Welcome all!

In Bön,

Carlos Madero
Director
